WASHINGTON OCEAN SHRIMP TRAWL FISHERY PERMIT

This permit is issued under the authority of RCW 77.15.750 to owner of Ocean Delivery License Number to fish for pink shrimp (*Pandalus jordani*) in waters of the Pacific Ocean with shrimp trawl gear using the designated vessel. The following conditions apply:

1. This permit is non-transferable and must be possessed aboard the vessel at all times the vessel is engaged in the fishery, including sale of catch.
2. Nothing in this permit shall be construed to mean that the permittee is exempt from compliance with any other valid law or regulation of any governmental agency.
3. Owners and/or operators of commercial shrimp trawl fishing vessels are required to participate in the National Marine Fishery Service West Coast Groundfish Observer Program, to carry and accommodate a Federal fishery observer when asked, and to comply with all Federal rules and regulations pertaining to the observer program (50 CFR 660.314 and 50 CFR 600.746.)
4. At the option of the Department, WDFW personnel must be allowed on board the vessel and given unimpeded access to observe fishing operations and/or collect biological data on the catch.
5. Owners and/or operators of commercial shrimp trawl fishing vessels are required to follow protocols established by the Department for shrimp trawl research and monitoring programs.
6. Owners and/or operators of commercial shrimp trawl fishing vessels must maintain and submit an accurate, legible logbook provided by WDFW for all pink shrimp trawl fishing. Logbooks must be submitted by the 15th day of the month following the fishing activity. Logbooks may be mailed to: WDFW Shrimp Trawl Research Project, 48 Devonshire Road, Montesano, WA 98563, or may be submitted in person only to the Department's shrimp trawl research project leader or observer.
7. Fishing without a valid permit or violating conditions of a permit is punishable under RCW 77.15.750 Unlawful use of a department permit — Penalty.
8. This permit expires December 31, 2011.
